D
Walkin' down the street, I heard a hip-hop beat,
G A
Then a car drove by blaring some rap guy.
D G A
I stopped to eat in a restaurant, while a crooner crooned on an old jukebox.
Em C A
There's music everywhere I go, but I drive home on country roads.

D A
Country's got rhythm and soul,
G A
A touch of the blues and some rock and roll.
G A
Melodies anyone can sing,
G A
And truth that tugs at my heart strings.
Em A D
I wanna crank it up and dance 'til I drop.....Country rocks!

D
Lying on the beach soakin' up the sun,
G A
I grabbed my blanket and I had to run,
D
From a couple of dudes dancing disco nude.
G A
Ducked into a club where a jazz band grooved.
Em C A
There's music everywhere I go, but I drive home on country roads.

D A
Country's got rhythm and soul,
G A
A touch of the blues makes me lose control.
G A
Melodies anyone can sing,
G A
And truth that tugs at my heart strings.
Em A D D
I wanna crank it up and dance 'til I drop.....Country rocks!

Em G
It's happy, hurtin', lovin', leavin',
C A
Toe-tappin' two-steppin' dancin' when you need it.
